Autumn Term Plan 2020

Rhayader Primary School
Ysgol Gynradd Rhaeadr

We are sending this information to parents so you are aware of what the children are going to be learning about this term. We are sending this information out just in case we are forced in to some form of school closure or your child is absent from school due to self-isolation and blended learning will need to take place. The work can easily be completed at home and uploaded to the Google Classroom or SeeSaw for Mrs Rimmer's class. Your children will be able to log in to Hwb or SeeSaw using any digital device that connects to the Internet. If you are unable to upload to either platform you can take a photograph and send it to Rhayader Primary on Messenger.

Every child has login details for DoodleMaths, DoodleTables, DoodleSpell and DoodleEnglish. This can be used daily to practice maths, tables, spelling, English grammar and punctuation and reading.

Book/Llyfr:

**The Tiger Who Came To
Tea**

The Tiger Who
Came
to Tea

Judith Kerr

Available to watch on You Tube

We are hopeful that the school will remain open, but just in case the school or our class are forced to isolate, we hope that this information will help you to support your child at home. The activities are there to support home learning. We appreciate that you may not have all the resources but try and be imaginative and creative.

We must stress that the staff will be available as much as possible during the school day. If you have any questions please comment in the comment section on your child's class page.
